LIME Trust Vision & Values

Putting Learners First is our Trust vision.

We aim to create a nurturing and supportive learning environment for all, encouraging our learners to achieve academic excellence and reach their full potential. We set high expectations and build capacity-rich schools through facilitating school-to-school collaboration. The high challenge we put forward is met with equally high support from our team of education experts, so we continue to improve our children's lives and futures – especially for disadvantaged pupils.

Our values are based on R.E.S.P.E.C.T. which means we believe that:

Respect is built on unconditional positive regard for all learners, all employees, and our wider communities.
Equity enables everyone to be treated as individuals. It removes barriers, provides opportunity and celebrates difference.
Self-worth creates a culture where all learners, all employees and our wider community have pride in their contributions and feel confident and valued.
Partnership is working together for the common good, ensuring that our learners are at the heart of all that we do.
Enjoyment is feeling happy, safe and motivated to make a positive contribution.
Communication provides a voice for all, creating a shared understanding through dialogue.
Trust is a partnership which requires us to act with integrity. Be brave, honest and kind.
